Re: *Selwyn Roberts v. American Golf Corporation and Michael Gutierrez.*, Case No. 1:23-cv-6000 (MKV)

Dear Judge Vyskocil:

This firm represents defendants American Golf Corporation and Michael Gutierrez (collectively, “Defendants”) in the above-referenced action. We write to request an order extending the deadline for the parties to file a joint letter and Proposed Case Management Plan and adjourning the Initial Pretrial Conference (Dkt. No. 14). In addition to numerous competing obligations for both parties, the parties are engaged in settlement negotiations and discussions about a potential mediation, and believe that the additional time will best facilitate those continued discussions and presents the opportunity to avoid unnecessarily wasting the Court’s time and resources.

With respect to the deadline for the parties to file a joint letter and Proposed Case Management Plan, we respectfully request an extension of 7 days, from Friday November 10, 2023 to Friday November 17, 2023. With respect to an adjournment of the Initial Pretrial Conference, currently scheduled for Friday November 17, 2023, the parties are amenable to a new date that is convenient for Your Honor that will afford sufficient time to review the parties’ submission of the letter and proposed plan.

Plaintiff consents to this request. This is the parties’ first request for an extension and/or adjournment of the above-referenced deadlines.

We thank the Court in advance for its consideration of this request.

Respectfully submitted,

DENIED. The Court informed the parties of this deadline over one month ago. [See ECF No. 14.] The Court will, however, consider whether holding the Initial Pretrial Conference is necessary after reviewing the parties' submissions. SO ORDERED.
